All of your responses, including any disclosed records, secret URLs or file share passwords, may be automatically, instantly, and publicly viewable via the muckrock.com Internet service used to issue this request.”

Your request is too broad. Will you please narrow/clarify the focus of your request so that it reasonably describes identifiable records, such as a category or topic?

A public records request must specify an identifiable record or category of records sought, Cal Govt. Code § 6253(b). The SFPD is more than happy to assist you in identifying documents, but a request must be sufficiently clear and defined to enable SFPD to understand what records are the subject of the request.

Thank you for your courtesy in this regard.

Sincerely,

~~Lt. Kathryn Waaland~~
